

Title: Story Telling (Innovator in Campus)

Description: Story Telling

Name of the event: Info seminar by Mr. Manish Ranjan, Global Hult Prize Winner 2014

Date of the event: 14th October 2019

Venue: K. P. Basu Memorial Hall, Jadavpur University

Brief of the event: Mr. Manish Ranjan, an ISB alumnus and the charismatic Founder and CEO of the startup NanoHealth attempted to bridge the gap between patients and doctors with E-prescriptions, videochat, daily healthcare tips, patient history databases and other modern facilities.

The deserving winner of the 1 million USD seed funding by the Hult Prize foundation in 2014, becoming only the second Indian team to achieve this feat in the 11 year long, history of Hult.

Mr. Ranjan had spoken about his amazing journey through the experience of Hult. He also explained how to add finesse to the pitch. Walking us through the entire road map of how to achieve an impactful social entrepreneurship venture.

Dignitaries (if any)

1. Mr. Manish Ranjan, CEO Nanohealth, Global Hult Prize 2014.
