ABOUT INDRANIL DUTTA:

Indranil Datta, a JU and ISB alumnus and currently a manager at Accenture, was also a referee for archery in the Tokyo Olympic Games 2020. JU E Cell is honoured to have him as the guest speaker for the podcast series of our event Inspira Talks.

Indranil Datta, having 13 years' work experience in energy sector with expertise in digital strategy implementation for asset performance analytics & preventive maintenance with hands on experience in system integration for remote operation & automation, capital (CapEx) project management, reliability enhancement, process efficiency improvement, etc. which also includes managing business diversification initiatives to increase existing asset utilisation. Also, pursuing Archery as a hobby, having won medals at national level & then becoming an international referee, finally getting inducted in World Archery Judge Committee and having been the Olympic Referee for Archery at Tokyo Olympics 2020.

ABOUT THE SESSION:

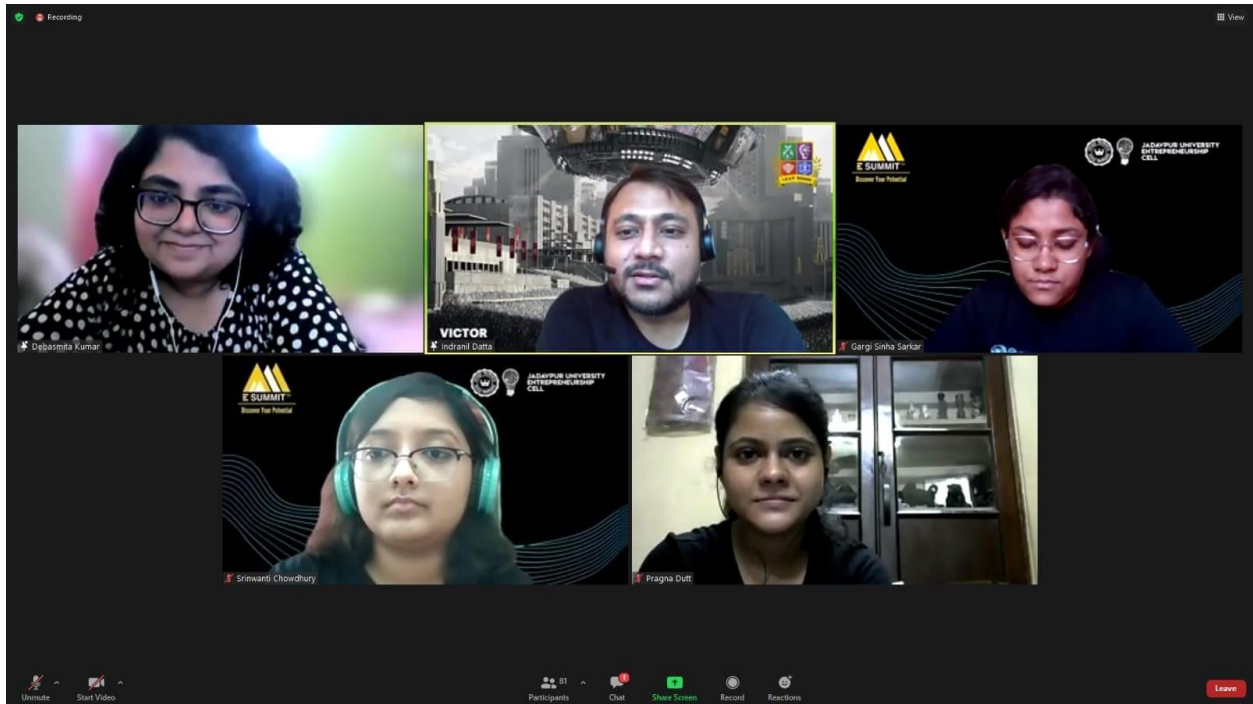

Debasmita Kumar, a JU Alumni and Strategy analyst at Accenture was the host who interacted with Indranil Dutta in such a way that kept the audience excited from the beginning till the end of it.

It started off with the discussion of Indranil Dutta's childhood and what inspired him to learn archery. Then it moved on to the most cheerful experiences he had while pursuing Electrical Engineering in Jadavpur University. We also go to know his feeling when he was elected as a member of the Judge Committee for World Archery in 2015. Then he mentioned about his inclination of doing an MBA & finally graduating from ISB---one of the top Business schools in the world.

Then finally came the most awaited moment for the audience when he started to share his experience as an International Technical Official for Archery at the Tokyo Olympic Games 2020 and also talked about the differences in the scenario of Olympic Games before and after COVID-19.

Finally he gave a token of advice to all the younger generation of India. Moreover the session was insightful and interesting. We all had a delightful experience hearing from our alumni Mr. Indranil Dutta.
